A bike! My own new bike!
Ana was happy.

My own helmet! I need a helmet.
I need a helmet to ride my bike.

I want to ride my bike.
I put on my helmet.

"Mom, can you help me?"
"Yes, Ana," says Mom. "Practice!"

I need to practice.
I need to practice every day.

Mom helps me. Dad helps me.
I practice for seven days.

Talk About It

1. Was it easy for Ana to ride her bike?
2. Why is it safe to wear a helmet to ride a bike?

Write About It

3. On a separate sheet of paper, draw a picture of you or someone riding a bike. Tell about it.

Extend Language

Here are words that tell about bikes: *wheels, seat, pedals, and helmet.*

Where does a bike rider sit?
Do feet go on helmet or pedals?

Wow! Now I can ride my bike.
What else can we practice?
